Jerry Andersen

www.jdandersen.com

Palms, Cycads, Exotics, Tropical Fruit Trees. A description of our stock can be viewed at our website. A sampling of this material is or will be available at our new location near Pahoa. California locations include San Clemente and Fallbrook.

Austin's Nursery

Hawaiian Acres — Kurtistown

Bill Austin

345-6158 (Open By Appointment)

happyjoyousfreebill1@yahoo.com

We carry *Dypsis*, *Chambeyronia*, *Siphokentia*, *Calyptrocalyx*, *Iguanura*, *Neophloga* "pink crownshaft." Many more genera and species are available, all in 3 – 15 gal. sizes. Many ti and heliconias also available.

Davis Nursery/Paniolo Palms

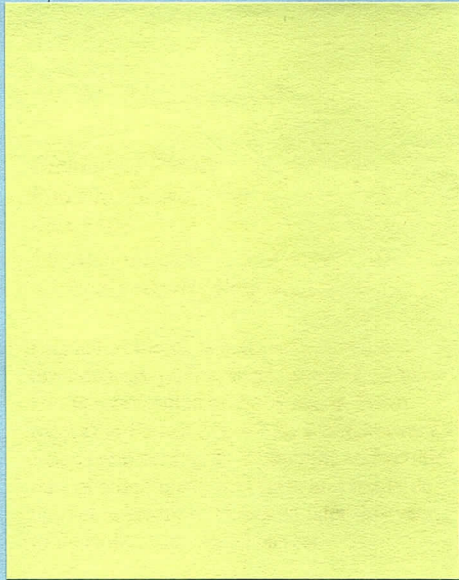

Pepeekeo, Hawaii

935-4281

Bob & Jan Davis

palmspalms@aol.com

We began a nursery for palms, both common and exotic in 2006. In need of 1 gal. material for field plantings. Also looking for landscape bamboos for field plantings.

Floribunda Palms & Exotics

Hawaiian Acres, Hawaii

966-8003

Jeff & Suchin Marcus

www.floribundapalms.com

Grower of 300+ species of palms from seedling to 1-gallon size. Landscape size palms are available. Nursery open by appointment only on Thursdays, Fridays and some weekends. Cycads are also sold. Call for availability.

Kalaoa Gardens LLC

Keahole Ag Park, Kailua-Kona, Hawaii

326-PALM / cell 960-3650

Garrett Webb

www.palmsinkona.com

Our goal is to add palm species to the trade that are not currently used in the landscape industry, such as *Clinostigma*; *Bentinckia*; *Chambeyronia*; *Dypsis lanceolata* and *pembana*, *Euterpe oleracea* and others. We also stock common landscape palms, sun hardened for the Kona area.

Kapoho Kai Nursery

Kapoho, Hawaii

965-8839

Jan Anderson, Greg Braun

tidepool@hawaiiintel.net

Our nursery is located in the tradewinds, salt air, beautiful sunshine and ililani (rainshowers) in the coastal area of Kapoho, Puna, Hawaii. We specialize in growing palms, along with flowering/fragrant tropical trees, shrubs, groundcovers, and native Hawaiian plants. Landscape consultation service is available. We are open for wholesale and retail sales by appointment.

Royal Palm Enterprises

Hawaiian Acres, Hawaii

Call for directions: 966-7169

Sean Spellicy & Iris Viacrusis

www.rpetropicals.com

We feature potted palms in 1-4 gallon, exotic fruit trees, ornamentals, natives, flowering trees and our latest addition, a full line of water plants including lotus and water lilies. Your visit may include a garden tour at your request. Depending on season, fruit tasting from our trees is available. Plant lists are available upon request. Mention membership of HIPS and receive 20% discount off retail prices.
